Details:

Quality Dental Care, Right in the Heart of Southbank Finding a trusted dental practice close to home or work makes all the difference. Core Dental Southbank, located at 55 City Road, Southbank, brings the clinical excellence of the Smile Solutions Group to one of Melbourne's most vibrant inner-city precincts. Serving the communities of Southbank, South Wharf, Docklands, and surrounding inner-city neighbourhoods, Core Dental Southbank offers convenient access to comprehensive dental care - without the need to travel far. Part of the Smile Solutions Group Core Dental Southbank is proudly part of the Smile Solutions Group, which has been delivering outstanding dental care in Melbourne since 1993. Over 33 years, the group has treated more than 300,000 patients and built a reputation for clinical excellence, innovation, and genuine patient care. The Smile Solutions Group engages over 80 clinicians, including more than 25 specialists across every recognised dental specialty. The group also holds Blue Diamond Invisalign provider status - a distinction reserved for the highest-volume Invisalign practices in the country. Comprehensive Services at Southbank Core Dental Southbank provides a wide range of dental services to meet everyday and complex needs alike. Patients can access: General check-ups and preventive care Cosmetic dentistry Porcelain veneers Teeth whitening Invisalign clear aligners Dental implant assessments Root canal therapy Wisdom teeth management Emergency dental care For patients who require specialist treatment, Core Dental Southbank provides direct referral pathways to the Collins Street Specialist Centre, located at Level 8, Manchester Unity Building. There, patients benefit from dedicated specialist care in periodontics, endodontics, prosthodontics, orthodontics, oral surgery, and paediatric dentistry. Convenient Hours and Same-Day Emergency Access Core Dental Southbank is open six days a week with extended hours, making it easy to fit dental appointments around busy schedules. Same-day emergency appointments are available for patients experiencing urgent dental concerns, ensuring timely care when it matters most. Explore Our Directories To learn more about our practitioners and services, visit the Core Dental directory or the Smile Solutions directory. Whether you need a routine check-up, a smile makeover, or urgent dental attention, Core Dental Southbank delivers the trusted standard of care the Smile Solutions Group is known for - right in your neighbourhood.
