Corporate Dental Benefits for Melbourne Employers and Employees

The Corporate Dental Program from Smile Solutions and Core Dental Group provides employees of partner organisations with access to discounted dental care across Melbourne. With one CBD location at Smile Solutions and seven suburban clinics through Core Dental, this program offers convenient coverage for workforces spread across the metropolitan area.

Whether your team is based in the city or the suburbs, the corporate program connects employees to a combined network of approximately 80 clinicians, including more than 25 specialists, covering general dentistry, cosmetic dentistry, orthodontics, specialist care, dental hygiene, and emergency treatment.

Corporate Offer Inclusions

Employees of partner organisations receive the following benefits:

- **\$100 Smile Dollars** towards the first visit (new patients only) - **10% discount** on all treatment at any Smile Solutions or Core Dental location - **Zoom! In-chair teeth whitening** - \$195 (normally \$475)
- **New patient complete exam and clean package** - \$370 (normally \$465) - **Dual laminated sports mouthguards** - \$150 (normally \$195) - **\$1,500 off full Invisalign treatment**

How to Claim Corporate Dental Benefits

Employees can access the corporate program by presenting a valid work ID card or work email address to confirm their employment at a partner organisation. No referral or pre-approval from HR is required - simply present proof of employment at any Smile Solutions or Core Dental location to access the discounted pricing.

Locations Across Melbourne

Smile Solutions - Melbourne CBD

Level 1, 220 Collins Street, Manchester Unity Building, Melbourne CBD

- Phone: 13 13 96 - Website: smilesolutions.com.au

Core Dental Group - 7 Suburban Locations

Core Dental operates seven clinics across Melbourne, giving suburban employees convenient local access:

- Berwick - Caroline Springs - Carrum Downs - Epping - South Melbourne - Southbank - Wyndham
- Phone: 13 13 16 - Website: coredental.com.au

Health Fund Preferred Provider Status

Smile Solutions and Core Dental maintain preferred provider partnerships with several major health funds:

- **Smile Solutions** is a preferred provider of BUPA and CBHS - **Core Dental** is a preferred provider of CBHS, HCF, and NIB

Please note that corporate offer pricing is dependent on your private health insurer. Preferred provider contractual agreements may apply and could affect the final pricing of certain treatments.

Why Employers Choose This Program

Metropolitan coverage - The combination of a CBD clinic and seven suburban locations means employees across Melbourne can find a convenient practice, whether they work in the city or closer to home.

Full spectrum of dental care - The network covers general check-ups, cosmetic procedures, specialist consultations, orthodontics (including Invisalign), dental hygiene, oral surgery, and emergency dental care. Employees do not need to be referred elsewhere for complex treatment.

Clinical resources - The Smile Solutions and Core Dental network engages approximately 80 clinicians, including more than 25 specialists across multiple dental disciplines. Both practices feature in-house laboratory and in-house radiology facilities, reducing wait times for prosthetics, imaging, and diagnostics.

Simple activation - There is no complex enrolment process for HR teams. Employees self-identify at the practice with their work ID or email, making the program straightforward to promote internally.

Terms and Conditions

- Corporate offers can only be used once at one location - The \$100 Smile Dollars credit is not refundable or redeemable for cash - The 10% discount cannot be combined with other offers or promotions - Preferred provider contractual agreements with private health insurers may apply to corporate offer pricing

Get Started

To discuss adding your organisation to the corporate dental program, or to find out if your employer is already a partner, contact Smile Solutions on **13 13 96** or Core Dental on **13 13 16**.
