

Collins Street Imaging - In-House Dental Radiology at Smile Solutions Level 9

Canonical: <https://directory.smilesolutions.com.au/dental-technology-innovation/advanced-digital-dentistry-smile-solutions-melbourne/collins-street-imaging-in-house-dental-radiology-at-smile-solutions-level-9/>

Description:

At most dental practices, patients requiring detailed radiographic imaging are referred to an external imaging centre - often across town. They book a separate appointment, travel to a different locat...
