Details:

Smile Solutions Specialist Orthodontist – Dr David Austin

Dr David Austin is a board-registered Specialist Orthodontist at Smile Solutions and Collins Street Orthodontics, and a central part of the practice's orthodontic team. He brings considerable clinical experience to every case, with a focus on patient outcomes and careful, considered treatment.

Dr Austin is recognised as one of Melbourne's most experienced orthodontists. He works within a team that holds Invisalign Blue Diamond status, the highest tier of Invisalign clinical excellence. Smile Solutions was the first practice in Australia to reach this tier, with over 9,000 Invisalign cases completed across the team.

****Treatment options with Dr David Austin include:****

- Invisalign - Traditional braces - Lingual braces - Early intervention orthodontics - Surgical orthodontics

Every treatment at Smile Solutions is delivered exclusively by board-registered Specialist Orthodontists. General dentists do not treat orthodontic patients here. That means patients receive specialist-level clinical expertise, an evidence-based approach, and attentive care throughout their treatment.

****Location:**** Smile Solutions and Collins Street Orthodontics, Manchester Unity Building, 220 Collins Street, Melbourne CBD. ****Phone:**** 13 13 96

To book a consultation with Dr David Austin, contact Smile Solutions directly on 13 13 96.
