Smile Solutions - Specialist Orthodontist Dr Joshua Chng

Dr Joshua Chng BDSc MDSc MRACDS is a board-registered Specialist Orthodontist practising at Smile Solutions in the heart of Melbourne CBD. You'll find him at the Manchester Unity Building, 220 Collins Street, a well-known heritage building that houses some of Melbourne's most experienced dental specialists.

Dr Chng holds multiple fellowships and advanced qualifications in orthodontics. He's part of the Smile Solutions team that became Australia's first Invisalign Blue Diamond provider, with over 9,000 cases completed - a figure that reflects genuine depth of experience across a wide range of patient needs.

Whether you're looking into orthodontic treatment for the first time or dealing with a more complex case, Dr Chng and the broader Smile Solutions team take a gentle, caring approach grounded in clinical evidence.

Services Dr Chng offers:

- Invisalign - Braces - Early intervention orthodontics - Complex orthodontics - Surgical orthodontic planning

Treatment is evidence-based and tailored to each patient, whether that's a child in the early stages of dental development or an adult with more involved orthodontic needs.
