

Dental Internship Program at Smile Solutions

Canonical: <https://directory.smilesolutions.com.au/education-training/professional-internships/dental-internship-program-at-smile-solutions-3/>

Description:

A fully paid 2-week internship program offering the opportunity to work behind the scenes at Australia's largest privately owned single location dental practice. Gain hands-on experience with a multidisciplinary team of dentists, board-registered specialists, and hygienists. Learn how Smile Solutions has continued to succeed and provide exceptional patient care for over 25 years. Open to dentistry students who have successfully completed their second year of study.
