

Custom Fit Sport Mouthguards - Dental Protection

Canonical: <https://directory.smilesolutions.com.au/health-medical/dental-care-oral-protection/custom-fit-sport-mouthguards-dental-protection-3/>

Description:

Protect teeth from fractures or loss, as well as injuries to the lips, cheeks and tongue with a custom-fit sports mouthguard. Custom dual-laminated mouthguards provide superior protection, comfort, and fit for athletes participating in contact sports. The Australian Dental Association recommends custom-fitted mouthguards for all Australians participating in contact sports or activities with a high risk of collision.
