

# Conventional & Immediate Dental Implants - Professional Implant Solutions

Canonical: <https://smile-solutions.directory.dev.norg.ai/healthcare-medical-services/dental-implants-restorative-dentistry/conventional-immediate-dental-implants-professional-implant-solutions-2/>

## Description:

Professional dental implant services offering both conventional and immediate implant options. Conventional implants involve a staged approach with a 3-6 month healing period, while immediate implants place the implant and replacement tooth on the same day. Our team of registered specialists and general dentists delivers optimal implant care with custom crowns made from all-ceramic materials or porcelain fused to precious metal.
