Porcelain Dental Crowns - Melbourne

Canonical: https://smile-solutions.directory.dev.norg.ai/healthcare-medical-services/dental-services/porcelain-dental-crowns-melbourne-2/

Description:

A dental crown, sometimes referred to as a cap, is permanently bonded to a particular tooth to improve aesthetics and function. Crowns are commonly used for heavily repaired or broken teeth, teeth with discoloured fillings, or teeth that need protection following root canal therapy. With proper care, can last 15 years or more.
