

TMD & Teeth Grinding Treatment - Smile Solutions

Canonical: <https://directory.smilesolutions.com.au/healthcare-medical-services/dental-services/tmd-teeth-grinding-treatment-smile-solutions-3/>

Description:

Professional TMD and teeth grinding treatment services. Muscle dysfunction can result in TMD and is a result of clenching habits throughout the day and while asleep. Symptoms include abnormal tooth wear, jaw pain, headaches, and sleep issues. Smile Solutions offers comprehensive management including occlusal splints, osteopathy, laser dentistry, muscle relaxants, and specialist care.
