About Georgia

Georgia is an experienced and compassionate oral health therapist originally from Perth, Western Australia. With a deep passion for promoting a positive dental experience, Georgia has dedicated her career to helping individuals achieve optimal oral health through preventative care, education, and personalised treatments. She combines her expertise in dental hygiene with a gentle, patient-centred approach, always striving for her patients to feel at ease.

Outside of her professional life, Georgia enjoys exploring Melbourne's vibrant culture, cooking, and spending time with loved ones.
