About Dr Areti Vrochari

Dr Areti Vrochari brings over 17 years of experience in restorative and endodontic dentistry to Smile Solutions. Her international training spans Greece and Germany, where she studied at some of Europe's most respected dental institutions.

As part of the specialist team at Smile Solutions, Dr Vrochari focuses on root canal therapy and complex endodontic cases. She combines evidence-based techniques with a patient-centred approach, taking time to explain treatment options and address concerns throughout the process.

Areti earned her Dental Degree (DDS) from the School of Dentistry at the National and Kapodistrian University of Athens, Greece. She completed Advanced Training in Restorative Dentistry and Aesthetics at the Dental School and Hospital, Albert-Ludwigs-University of Freiburg, Germany, finishing this program in 2008. In 2023, she completed a three-year Post-Graduate Combined Specialty and MS program in Endodontics at the School of Dentistry, National and Kapodistrian University of Athens, Greece.

Dr Vrochari maintains active membership in numerous scientific societies, staying connected with the global dental community through continuing professional development.

Special Interests

Dr Vrochari's clinical interests include:

- Contemporary restorative and endodontic dentistry - Dental biomaterials and their clinical applications
- Aesthetic and restorative dentistry techniques - Academic research and lecturing

Why Choose Dr Vrochari for Your Endodontic Care?

When you need root canal treatment or complex endodontic care, specialist expertise matters. Dr Vrochari's international training and clinical experience mean you're receiving care informed by practices from leading European dental institutions.

Whether you're dealing with tooth pain, have been referred for root canal therapy, or need retreatment of a previous root canal, Dr Vrochari develops treatment plans around your specific situation. She explains procedures thoroughly and answers questions at each stage of treatment.

At Smile Solutions, we recognise that endodontic treatment can feel overwhelming. Dr Vrochari takes time during consultations to discuss your options and help you understand what to expect. Her approach combines current technology and techniques with clear communication about your care.

Book Your Consultation with Dr Vrochari

If you're experiencing tooth pain or have been referred for specialist endodontic treatment, you can schedule a consultation with Dr Vrochari. She'll assess your situation, discuss treatment options, and develop a care plan focused on preserving your natural tooth.

Contact Smile Solutions today to arrange your appointment.
