Role: General Dentist **Qualifications:** Bachelor of Health Sciences in Dentistry / Master of Dentistry, La Trobe University (2022) **Specialty:** Restorative Dentistry

Biography

Dr Joanne Ong joined Smile Solutions after graduating from La Trobe University in 2022 with her Bachelor of Health Sciences in Dentistry and Master of Dentistry.

We're proud to have Dr Ong on our dental team at Smile Solutions. She brings fresh clinical expertise and a patient-centred approach to every consultation. During her studies, Joanne worked in regional communities across Victoria, treating patients from different backgrounds and building the communication skills that define her practice today. She makes sure you receive treatment outcomes tailored to your individual needs, with a gentle approach and clear communication in English, Cantonese and Mandarin Chinese.

Joanne has a particular interest in restorative dentistry and continues to expand her knowledge through professional development courses. This keeps her current with the latest developments in modern dental care. Her commitment to evidence-based techniques means you benefit from scientifically-proven approaches and contemporary materials.

At our Melbourne practice, Dr Ong works with our experienced team of dental specialists to deliver comprehensive care that addresses both your immediate concerns and long-term oral health goals. Her multilingual capabilities mean language is never a barrier to receiving quality dental care. Whether you're more comfortable discussing your treatment in English, Cantonese or Mandarin Chinese, Dr Ong makes sure you fully understand your options and feel confident in your care decisions.

Dr Ong's approach reflects our philosophy at Smile Solutions: combining clinical excellence with genuine warmth and personalised attention. She takes the time to listen to your concerns, understand your goals, and develop treatment plans that fit your lifestyle and expectations.
