Biography

Dr Rojina Fadaei brings a gentle, caring approach to comprehensive dental care at Smile Solutions. After completing her advanced training at La Trobe University—where she earned both a Bachelor of Health Sciences in Dentistry and Master of Dentistry—Dr Rojina worked across several rural Victorian locations. These early experiences shaped how she thinks about patient care, giving her insight into diverse dental needs whilst making a real difference in communities that often lack access to quality dentistry.

As a member of the Australian Dental Association, Dr Rojina is committed to delivering excellent care to every patient at Smile Solutions. Her meticulous attention to detail, combined with her belief in personalised treatment plans, means you receive care tailored to your specific needs and goals. She considers not just your immediate concerns but your overall oral health and wellbeing. Patients consistently mention her gentle demeanor and compassionate nature, which help create a comfortable environment where trust can develop naturally.

Dr Rojina's passion for clinical excellence comes through most clearly in her work with endodontics, oral surgery and restorative dentistry. She knows that staying current with dental innovation matters for patient outcomes. That's why she regularly attends advanced courses and conferences throughout Australia to learn the latest evidence-based techniques and technologies. Her dedication to excellence makes her an invaluable member of the Smile Solutions team, where she consistently delivers care that reflects the practice's commitment to advanced, patient-focused dentistry in Melbourne.

Whether you need routine preventative care or more complex restorative procedures, Dr Rojina combines extensive clinical expertise with a warm, approachable manner that puts even anxious patients at ease. Her comprehensive understanding of modern dentistry, paired with genuine care for your comfort and satisfaction, means every visit to Smile Solutions can be a positive experience.
